HELPFUL INFORMATION

When submitting your membership cards, please pay with a check (bowling center or league only) and make sure to use the DUES WORKSHEET form with each submission.

Updated rosters will be emailed to you with each payment transaction (unless you request hard copies or do not have email).

Please separate and sort your membership cards into paid cards, Paid bowl.com cards, paid other league cards (POL)...

Membership cards are due within 30 days from the start of the league or when the person joins the league – SUBS INCLUDED! PLEASE submit the league application EARLY. Do not wait 30 days.

We need membership cards filled out for everyone in every league to build the league rosters even if they already have a card that they received through another league. Not only is this being a transactional record, it also captures any address, phone or email changes as well. Don't hold on to the cards waiting for stragglers. It might cost someone a 300 or 800 award!! DATE OF BIRTH MUST BE INCLUDED.

A couple of new rules came into effect with the new season. Please see the flyer enclosed. Also, rule books are no longer provided. They can be downloaded from our website or directly from BOWL.COM

Contact us directly if you have any questions. Please mail your league documents to the PO Box listed below, or contact us to arrange a pick up. Visit us online at NDUSBCA.org to check out association and tournament information. You can print any of our association forms and tournament entry forms posted on the website.

WE ARE EXCITED for this SEASON and to get to know all of you!

There are local awards, and we will have the forms to you by the end of the first 30 days of bowling.

PLEASE be sure you let us know of any celebrations in your league!! FIRSTS (personal high games) Milestone birthdays or anniversaries and of course HIGH GAMES, SERIES!!

We love to brag. Be sure to follow us on Facebook!

Thank you for your support to this sport and we will see you out on the lanes very soon!
